

42 C.F.R. § 23.8

What operational requirements apply to an entity to which National Health Service Corps personnel are assigned?

Each National Health Service Corps site must:

(a) Operate a health care delivery system within a planned or existing community structure to assure:

- (1) The provision of high quality comprehensive health care;
- (2) To the extent feasible, full professional health care coverage for the health manpower shortage area;
