

42 C.F.R. § 403.306

Additional requirements for State systems—mandatory approval.

(a) *General policy—(1) Mandatory approval.* HFCA will approve an application for Medicare reimbursement under a State system if the system meets all of the requirements of § 403.304 and of paragraph (b) of this section.

(2) *Exception.* CMS may approve an application if the State system meets all of the requirements of § 403.304 but only some of the requirements of paragraph (b) of this section.

(b) *Additional requirements—(1) Operation of system.* The system must—
