

42 C.F.R. § 405.2402

Rural health clinic basic requirements.

- (a) *Certification by the State survey agency.* The rural health clinic must be certified in accordance with part 491 of this chapter.
- (b) *Acceptance of the clinic as qualified to furnish RHC services.* If the Secretary, after reviewing the survey agency or accrediting organization recommendation, as applicable, and other evidence relating to the qualifications of the clinic, determines that the clinic meets the requirements of this subpart and of part 491 of this chapter, the clinic is provided with—
