

## 42 C.F.R. § 408.202

---

### Conditions for participation.

---

(a) A State or local government agency may apply to CMS to enter into an SMI premium surcharge agreement if the following conditions are met:

- (1) Each individual designated for coverage under the premium surcharge agreement must be enrolled in Medicare Part B at the time the individual is added to the premium surcharge account.
- (2) Each enrollee designated for coverage under the agreement must, at the time the individual is added to the premium surcharge account, be responsible for paying the base premium and surcharge through direct remittance or benefit withholding from Social Security or Railroad Retirement benefits or a Civil Service annuity.
