

## 42 C.F.R. § 409.12

---

### **Nursing and related services, medical social services; use of hospital or CAH facilities.**

---

- (a) Except as provided in paragraph (b) of this section, Medicare pays for nursing and related services, use of hospital or CAH facilities, and medical social services as inpatient hospital or inpatient CAH services only if those services are ordinarily furnished by the hospital or CAH, respectively, for the care and treatment of inpatients.
