

42 C.F.R. § 410.29

Limitations on drugs and biologicals.

Medicare part B does not pay for the following:

- (a) Except as provided in § 410.28(a) for outpatient diagnostic services and § 410.63(b) for blood clotting factors, and except for EPO, any drug or biological which is usually self-administered by the patient.
- (b) Any drug product that meets all of the following conditions:
