
42 C.F.R. § 414.1370

APM scoring standard under MIPS.

(a) *General.* For the 2019 through 2022 MIPS payment years, the APM scoring standard is the MIPS scoring methodology applicable for MIPS eligible clinicians identified on the Participation List for the performance period of an APM Entity participating in a MIPS APM.

(b) *Criteria for MIPS APMs.* MIPS APMs are those in which:

- (1) APM Entities participate in the APM under an agreement with CMS or through a law or regulation;
- (2) The APM is designed such that APM Entities participating in the APM include at least one MIPS eligible clinician on a Participation List;
- (3) The APM bases payment on quality measures and cost/utilization; and
- (4) The APM is not either of the following:

(i) *New APMs.* An APM for which the first performance year begins after the first day of the MIPS performance period for the year.

(ii) *APM in final year of operation for which the APM scoring standard is impracticable.* An APM in the final year of operation for which CMS determines, within 60 days after the beginning of the MIPS performance period for the year, that it is impracticable for APM Entity groups to report to MIPS using the APM scoring standard.

(c) *APM scoring standard performance period.* The MIPS performance period under § 414.1320 applies for the APM scoring standard.

(d) *APM participant identifier.* The APM participant identifier for an eligible clinician is the combination of four identifiers:

- (1) APM identifier (established for the APM by CMS);
- (2) APM Entity identifier (established for the APM Entity by CMS);
- (3) Medicare-enrolled billing TIN; and
- (4) Eligible clinician NPI.

(e) *APM Entity group determination.* For the APM scoring standard, the APM Entity group is determined in the manner prescribed in § 414.1425(b)(1).

(1) *Full TIN APM.* In addition to the dates set forth in § 414.1425(b)(1), the APM Entity group includes an eligible clinician who is on a Participation List in a Full TIN APM on December 31 of the MIPS performance period.

(2) For purposes of calculating the APM Entity group score under the APM scoring standard, MIPS scores submitted by virtual groups will not be included.

(f) *APM Entity group scoring under the APM scoring standard.* The MIPS final score calculated for the APM Entity is applied to each MIPS eligible clinician in the APM Entity group. The MIPS payment adjustment is applied at the TIN/NPI level for each of the MIPS eligible clinicians in the APM Entity group.
