Monitoring and program integrity.

(a) *Vetting eligible clinicians.* Prior to payment of the APM Incentive Payment, CMS determines if eligible clinicians were in compliance with all Medicare conditions of participation and the terms of the relevant Advanced APMs in which they participated during the QP Performance Period. A determination under this provision is not binding for other purposes.

(b) *Rescinding QP Determinations.* CMS may rescind a QP determination if:

- (1) Any of the information CMS relied on in making the QP determination was inaccurate or misleading.
- (2) The QP is terminated from an Advanced APM or Other Payer Advanced APM during the QP Performance Period or Incentive Payment Base Period; or
- (3) The QP is found to be in violation of the terms of the relevant Advanced APM or any relevant Federal, State, or tribal statute or regulation during the QP Performance Period or Incentive Payment Base Period.
