

42 C.F.R. § 51d.9

What other conditions apply to these awards?

Award funding made under this authority is to be supplemental in nature. Consistent with the criteria in § 51d.5 and the certification in § 51d.4(a)(1), such funds will only be made available if no other local, State, Tribal or Federal source is available to adequately address the emergency mental health and/or substance abuse service needs of the impacted community.
