

42 C.F.R. § 52e.6

How will NIH evaluate applications?

(a) Within the limits of funds available, after consultation with the Council, the Director may award grants to applicants with proposed projects which in the Director's judgment will best promote the purposes of section 419 of the Act, taking into consideration among other pertinent factors:

- (1) The scientific and technical merit of the proposed project;
- (2) The significance of the project in relation to the goals of the National Program;
- (3) Whether the project appropriately emphasizes the prevention, diagnosis, or treatment of heart, blood vessel, lung, or blood diseases of children;
