

## 42 C.F.R. § 55a.201

---

### What is required for a State application?

---

An approvable State application must contain assurances that the State will:

(a) Provide the following services for active and inactive miners in the State:

- (1) Primary care;
- (2) Patient and family education and counseling;
- (3) Outreach;
- (4) Patient care coordination, including individual patient care plans for all patients;
