# 42 C.F.R. § 56.102

---

## Definitions.

---

As used in this part:

(a) *Act* means the Public Health Service Act (42 U.S.C. 201 *et seq.*), as amended.

(b)

(1) *Agriculture* means farming in all its branches, including—

(i) Cultivation and tillage of the soil;

(ii) The production, cultivation, growing, and harvesting of any commodity grown on, in, or as an adjunct to or part of a commodity grown in, or on, the land; and

(iii) Any practice (including preparation and processing for market and delivery to storage or to market or to carriers for transportation to market) performed by a farmer or on a farm incident to or in conjunction with an activity described in subsection (ii).

(c) *Catchment area* means the geographic area served by a project funded under section 319 of the Act.

(d) *Environmental health services* means the detection and alleviation of unhealthful conditions of the environment of the persons served by the project, such as problems associated with water supply, sewage treatment, solid waste disposal, rodent and parasite infestation, field sanitation, and housing conditions and the treatment of medical conditions arising therefrom. For the purposes of this part, the detection and alleviation of unhealthful conditions of the environment includes the notification of appropriate Federal, State, or local authorities responsible for correcting such conditions and the making of arrangements therefor with such authorities.

(e) *Health professionals* means professionals (such as physicians, dentists, nurses, podiatrists, optometrists, and physicians' extenders) who are engaged in the delivery of health services and who meet all applicable Federal or State requirements to provide their professional services.
