

## 42 C.F.R. § 57.2003

---

### Determinations of increased enrollment solely for the program.

---

In the event the Secretary of Defense decides to enter into one or more contracts under 10 U.S.C. 2127(d), his determination as to whether an institution has increased its total enrollment in any fiscal year for the sole purpose of accepting members of the program will take into account the following considerations:
