

42 C.F.R. § 57.207

Maximum amount of health professions student loans.

The total of the health professions student loans made from the fund to any student for a school year may not exceed \$2,500 and the cost of tuition. The maximum amount loaned during a 12-month period to any student enrolled in a school which provides a course of study longer than the 9-month school year may be proportionately increased.
