

42 C.F.R. § 57.314

Repayment of loans made after November 17, 1971, for failure to complete a program of study. 2

In the event that the Secretary undertakes to repay educational loans under section 836(i) of the Act, he or she will use the following criteria to make a determination as to each applicant's eligibility:

- (a) An applicant will be considered to have failed to complete the course of study in nursing for which an eligible education loan was made upon certification by a school of nursing that the individual ceased to be enrolled in the school subsequent to November 17, 1971;
