

42 C.F.R. § 62.74

How much credit will a Program participant receive for monetary repayments made, or for approved service performed, before beginning service under the Special Repayment Program?

- (a) Prior approved service performed by a Program participant will be credited to the Program participant for the purpose of calculating the Program participant's remaining service obligation under this Program. Thus, the Program participant's remaining service obligation will be calculated by subtracting the number of days of the Program participant's prior approved service from the number of days of the Program participant's original service obligation under the PH/NHSC Scholarship Training Program and/or the Scholarship Program. If a Program participant has made monetary payments, his or her remaining service obligation will be reduced by converting the monetary payments into days of service credit as set forth in paragraph (b) or (c) of this section, whichever is applicable.
