

## 42 C.F.R. § 68b.5

---

### How will applicants be selected to participate in the Scholarship Program?

---

- (a) *General.* In deciding which applications for participation in the Scholarship Program will be approved, the Director will place the applications into categories based upon the selection priorities described in paragraph (b) of this section. Except for renewal awards (see paragraph (e) of this section), the Director will then evaluate each applicant under paragraph (c) of this section.
- (b) *Priorities.* (1) First priority will be given to applicants who have completed at least 2 years of undergraduate course work, including four core science courses, and are classified by their educational institutions as juniors or seniors as of the beginning of the academic year of scholarship. (Core science courses include, but are not limited to, biology, chemistry, physics, and calculus.)
