## 42 C.F.R. § 83.9

---

### What information must a petition include?

---

- (a) All petitions must provide identifying and contact information on the petitioner(s). The information required to justify a petition differs, depending on the basis of the petition. If the petition is by a claimant in response to a finding by NIOSH that the dose reconstruction for the claimant cannot be completed, then the petition must provide only the justification specified under paragraph (b) of this section. All other petitions must provide only the information specified under paragraph (c) of this section. The informational requirements for petitions are also summarized in Table 1 at the end of this section.
- (b) The petition must notify NIOSH that the claimant is petitioning on the basis that NIOSH found, under 42 CFR 82.12, that the dose reconstruction for the claimant could not be completed due to insufficient records and information.
- (c) The petition must include the following:
- (1) A proposed class definition <sup>[1]</sup> specifying:
- (i) The DOE facility or AWE facility <sup>[2]</sup> at which the class worked;
- (ii) The location or locations at the facility covered by the petition (e.g., building, technical area);
- (iii) The job titles and/or job duties of the class members;
- (iv) The period of employment relevant to the petition;
- (v) Identification of any exposure incident that was unmonitored, unrecorded, or inadequately monitored or recorded, if such incident comprises the basis of the petition; and
