

42 C.F.R. § 84.301

Applicability to new and previously approved CCERs.

- (a) Any CCER approval issued after April 9, 2012 must comply with the technical requirements of subpart O.
- (b) The continued manufacturing, labeling, and sale of closed-circuit apparatus previously approved under subpart H is authorized for units required for use in underground coal mines pursuant to 30 CFR 75.1714-1.
