

## 42 C.F.R. § 86.13

---

### Project requirements.

---

(a) An approvable application for a long-term training grant must contain each of the following, unless the Secretary determines that the applicant has established good cause for its omission.

- (1) Provision of a method for development of the training curriculum and any attendant training materials and resources;
- (2) Provision of a method for implementation of the needed training;
- (3) Provision of an evaluation methodology, including the manner in which such methodology will be employed, to measure the achievement of the objectives of the training program; and
- (4) Provision of a method by which trainees will be selected.

(b) In addition to the requirements set forth in paragraph (a) of this section, an approvable application for a short-term training grant must contain each of the following, unless the Secretary determines that the applicant has established good cause for its omission.

- (1) Provision of a methodology to assess the particular skills, or knowledge that prospective trainees need to develop;
- (2) Provision of at least 18 hours of formal instruction for a period of not less than 2 1/2 days and not more than 1 academic year; and
- (3) Assurances that no portion of the Federal funds will be used for (i) inservice training courses designed only for employees of a single agency, institution, or organization; (ii) correspondence courses; (iii) regular courses usually given for academic credit; or (iv) training the grantee's financial officers, program director, or the official who executed the application.
