

## 42 C.F.R. § 90.4

---

### Contents of requests for health assessments.

---

(a) Each request for a health assessment shall contain:

- (1) The name, address (including zip code), and telephone number of the requestor;
- (2) The organization or group the requestor represents, if any;
- (3) The name, location, and description of the facility or release of concern;
- (4) A statement providing information that individuals have been exposed to a hazardous substance and that the probable source is a release, or sufficient information to allow the Administrator to make such a finding;
