

## 42 C.F.R. § 93.406

---

### Final HHS actions.

---

Unless the respondent contests the charge letter within the 30-day period prescribed in § 93.501, the ORI finding of research misconduct is the final HHS action on the research misconduct issues and the HHS administrative actions become final and will be implemented, except that the debaring official's decision is the final HHS action on any debarment or suspension actions.
