

42 C.F.R. § 1002.3

General authority.

- (a) In addition to any other authority it may have, a State may exclude an individual or entity from participation in the Medicaid program for any reason for which the Secretary could exclude that individual or entity from participation in Federal health care programs under sections 1128, 1128A, or 1866(b)(2) of the Act.
