

42 C.F.R. § 1001.3005

Withdrawal of exclusion for reversed or vacated decisions.

(a) An exclusion will be withdrawn and an individual or entity will be reinstated into Medicare, Medicaid, and other Federal health care programs retroactive to the effective date of the exclusion when such exclusion is based on—

- (1) A conviction that is reversed or vacated on appeal;
- (2) An action by another agency, such as a State agency or licensing board, that is reversed or vacated on appeal; or
