

42 C.F.R. § 1004.80

QIO report to the OIG.

(a) *Manner of reporting.* If the violation(s) identified by the QIO have not been resolved, it must submit a report and recommendation to the OIG at the field office with jurisdiction.

(b) *Content of report.* The QIO report must include the following information—

- (1) Identification of the practitioner or other person and, when applicable, the name of the director, administrator or owner of the entity involved;
- (2) The type of health care services involved;
