

42 C.F.R. § 1007.20

Circumstances of permissible data mining.

(a) Notwithstanding § 1007.19(e)(2), a Unit may engage in data mining as defined in this part and receive FFP only under the following conditions:

(1) The Unit identifies the methods of coordination between the Unit and the Medicaid agency, the individuals serving as primary points of contact for data mining, as well as the contact information, title, and office of such individuals;
