

42 C.F.R. § 418.28

Revoking the election of hospice care.

- (a) An individual or representative may revoke the individual's election of hospice care at any time during an election period.
- (b) To revoke the election of hospice care, the individual or representative must file a statement with the hospice that includes the following information:
 - (1) A signed statement that the individual or representative revokes the individual's election for Medicare coverage of hospice care for the remainder of that election period.
