

## 42 C.F.R. § 422.376

---

### Conditions of the waiver.

---

A waiver granted under this section is subject to the following conditions:

- (a) *Limitation to State.* The waiver is effective only for the particular State for which it is granted and does not apply to any other State. For each State in which the organization wishes to operate without a State license, it must submit a waiver request and receive a waiver.
