

## 42 C.F.R. § 425.214

---

### Managing changes to the ACO during the agreement period.

---

(a)

(1) An ACO must notify CMS within 30 days of any significant change.

(2) An ACO's failure to notify CMS of a significant change does not preclude CMS from determining that the ACO has experienced a significant change.

(3) A “significant change” occurs when an ACO is no longer able to meet the eligibility or program requirements of this part.
