

42 C.F.R. § 431.428

Reporting requirements.

(a) *Annual reports.* The State must submit an annual report to CMS documenting all of the following:

- (1) Any policy or administrative difficulties in the operation of the demonstration.
- (2) The status of the health care delivery system under the demonstration with respect to issues and/or complaints identified by beneficiaries.
- (3) The impact of the demonstration in providing insurance coverage to beneficiaries and uninsured populations.
