

## 42 C.F.R. § 441.550

---

### Service plan requirements for self-directed model with service budget.

---

The person-centered service plan under the self-directed model with service budget conveys authority to the individual to perform, at a minimum, the following tasks:

- (a) Recruit and hire or select attendant care providers to provide self-directed Community First Choice services and supports, including specifying attendant care provider qualifications.
