

42 C.F.R. § 441.560

Service budget requirements.

(a) For the self-directed model with a service budget, a service budget must be developed and approved by the State based on the assessment of functional need and person-centered service plan and must include all of the following requirements:

- (1) The specific dollar amount an individual may use for Community First Choice services and supports.
- (2) The procedures for informing an individual of the amount of the service budget before the person-centered service plan is finalized.
- (3) The procedures for how an individual may adjust the budget including the following:
