

42 C.F.R. § 457.315

Application of modified adjusted gross income and household definition.

- (a) Effective January 1, 2014, the State must apply the financial methodologies set forth in paragraphs (b) through (i) of § 435.603 of this chapter in determining the financial eligibility of all individuals for CHIP. The exception to application of such methods for individuals for whom the State relies on a finding of income made by an Express Lane agency at § 435.603(j)(1) of this subpart also applies.
