

42 C.F.R. § 457.70

Program options.

(a) *Health benefits coverage options.* A State may elect to obtain health benefits coverage under its plan through

—

- (1) A separate child health program;
- (2) A Medicaid expansion program; or
- (3) A combination program.

(b) *State plan requirement.* A State must include in the State plan or plan amendment a description of the State's chosen program option.
