

42 C.F.R. § 460.124

Additional appeal rights under Medicare or Medicaid.

A PACE organization must inform a participant in writing of his or her appeal rights under Medicare or Medicaid managed care, or both, assist the participant in choosing which to pursue if both are applicable, and forward the appeal to the appropriate external entity.

- (a) *Appeal rights under Medicare.* Medicare participants have the right to a reconsideration by an independent review entity.
