

42 C.F.R. § 478.46

Medicare Appeals Council and judicial review.

- (a) The circumstances under which the Medicare Appeals Council (Council) will review an ALJ's or attorney adjudicator's decision or dismissal are the same as those set forth at §§ 405.1102 (“Request for Council review when ALJ or attorney adjudicator issues decision or dismissal”) and 405.1110 (“Council reviews on its own motion”) of this chapter.
