

## Report on Medicare Compliance Volume 27, Number 37. October 22, 2018 Audit Tool for Compliance With Hyperbaric Oxygen Therapy NCD

---

By Nina Youngstrom

Consultant Arthur Petersen, president of Better Health Better Care in Utah, recommends risk assessments of some national coverage determinations (NCDs), such as hyperbaric oxygen therapy. Here's an example of an audit tool he developed to keep track of results. Contact him at [helpinghealthcarebetter@gmail.com](mailto:helpinghealthcarebetter@gmail.com).
