

42 C.F.R. § 482.90

Condition of participation: Patient and living donor selection.

The transplant program must use written patient selection criteria in determining a patient's suitability for placement on the waiting list or a patient's suitability for transplantation. If a program performs living donor transplants, the program also must use written donor selection criteria in determining the suitability of candidates for donation.

- (a) *Standard: Patient selection.* Patient selection criteria must ensure fair and non-discriminatory distribution of organs.
