
42 C.F.R. § 483.136

Evaluating whether an individual with intellectual disability requires specialized services (PASARR/IID).

(a) *Purpose.* The purpose of this section is to identify the minimum data needs and process requirements for the State intellectual disability authority to determine whether or not the applicant or resident with intellectual disability, as defined in § 483.102(b)(3) of this part, needs a continuous specialized services program, which is analogous to active treatment, as defined in § 435.1010 of this chapter and § 483.440.

(b) *Data.* Minimum data collected must include the individual's comprehensive history and physical examination results to identify the following information or, in the absence of data, must include information that permits a reviewer specifically to assess:

- (1) The individual's medical problems;
- (2) The level of impact these problems have on the individual's independent functioning;
- (3) All current medications used by the individual and the current response of the individual to any prescribed medications in the following drug groups:
 - (i) Hypnotics,
 - (ii) Antipsychotics (neuroleptics),
