

## 42 C.F.R. § 483.372

---

### Medical treatment for injuries resulting from an emergency safety intervention.

---

- (a) Staff must immediately obtain medical treatment from qualified medical personnel for a resident injured as a result of an emergency safety intervention.
- (b) The psychiatric residential treatment facility must have affiliations or written transfer agreements in effect with one or more hospitals approved for participation under the Medicaid program that reasonably ensure that—
