

## 42 C.F.R. § 484.202

---

### Definitions.

---

As used in this subpart—

*Case-mix index* means a scale that measures the relative difference in resource intensity among different groups in the clinical model.

*Discipline* means one of the six home health disciplines covered under the Medicare home health benefit (skilled nursing services, home health aide services, physical therapy services, occupational therapy services, speech-language pathology services, and medical social services).
