

42 C.F.R. § 488.26

Determining compliance.

- (a) Additional rules for certification of compliance for SNFs and NFs are set forth in § 488.330.
- (b) The decision as to whether there is compliance with a particular requirement, condition of participation, or condition for coverage depends upon the manner and degree to which the provider or supplier satisfies the various standards within each condition. Evaluation of a provider's or supplier's performance against these standards enables the State survey agency to document the nature and extent of deficiencies, if any, with respect to a particular function, and to assess the need for improvement in relation to the prescribed conditions.
