## Duration of remedies.

---

(a) Except as specified in paragraphs (b) and (d) of this section, alternative remedies continue until—

- (1) The facility has achieved substantial compliance, as determined by CMS or the State based upon a revisit or after an examination of credible written evidence that it can verify without an on-site visit; or
- (2) CMS or the State terminates the provider agreement.

(b) In the cases of State monitoring and denial of payment imposed for repeated substandard quality of care, remedies continue until—
