

42 C.F.R. § 495.364

Review and assessment of administrative activities and expenses of Medicaid provider health information technology adoption and operation.

- (a) CMS conducts periodic reviews on an as needed basis to assess the State's progress described in its approved HIT planning advance planning document and health information technology implementation advance planning document.
- (b) During planning, development, and implementation, these reviews will generally be limited to the overall progress, work performance, expenditure reports, project deliverables, and supporting documentation.
