

## 42 C.F.R. § 600.120

---

### Certification of a BHP Blueprint.

---

- (a) *Effective date of certification.* The effective date of either interim or full certification is the date of signature by the Secretary.
- (b) *Payments for periods prior to certification.* No payment may be made under this part for periods of BHP operation prior to the date of full certification.
- (c) *Period in which a certified Blueprint remains in effect.* The certified Blueprint remains in effect until:
