
42 C.F.R. § 600.140

State termination of a BHP.

A State that no longer wishes to operate a BHP may terminate or suspend its BHP.

(a) If a State decides to terminate its BHP, the State must complete all of the following prior to the effective date of the termination or the indicated dates:

- (1) Submit written notice to the Secretary no later than 120 days prior to the proposed termination date accompanied by a proposed transition plan that describes procedures to assist consumers with transitioning to other insurance affordability programs.
- (2) Resolve concerns expressed by the Secretary and obtain approval by the Secretary of the transition plan.
- (3) Submit written notice to all participating standard health plan offerors, and enrollees that it intends to terminate the program at least 90 days prior to the termination date. The notices to enrollees must include information regarding the State's assessment of their eligibility for all other insurance affordability programs in the State. Notices must meet the accessibility and readability standards at 45 CFR 155.230(b).
- (4) Transmit all information provided as part of an application, and any information obtained or verified by the State or other agencies administering insurance affordability programs via secure electronic interface, promptly and without undue delay to the agency administering the Exchange and the Medicaid agency as appropriate.
- (5) Fulfill its contractual obligations to participating standard health plan offerors including the payment of all negotiated rates for participants, as well as plan oversight ensuring that participating standard health plan offerors fulfill their obligation to cover benefits for each enrollee.
