

## 42 C.F.R. § 600.145

---

### State program administration and operation.

---

(a) *Program operation.* The State must implement its BHP in accordance with:

- (1) The approved and fully certified State BHP Blueprint, any approved modifications to the State BHP Blueprint and the requirements of this chapter and applicable law; or
- (2) The approved suspension application described in § 600.140.

(b) *Eligibility.* All persons have a right to apply for a determination of eligibility and, if eligible, to be enrolled into coverage that conforms to the regulations in this part.
