

## 42 C.F.R. § 600.305

---

### Eligible individuals.

---

(a) *Eligibility standards* The State must determine individuals eligible to enroll in a standard health plan if they:

(1) Are residents of the State.

(2) Have household income which exceeds 133 percent but does not exceed 200 percent of the FPL for the applicable family size, or, in the case of an individual who is a lawfully present non-citizen, ineligible for Medicaid or CHIP due to such immigration status, whose household income is between zero and 200 percent of the FPL for the applicable family size.
