
42 C.F.R. § 600.340

Periodic redetermination and renewal of BHP eligibility.

- (a) *Periodic review of eligibility.* An individual is subject to periodic review of eligibility every 12 months unless the eligibility is redetermined sooner based on new information received and verified from enrollee reports or data sources. The State must require enrollees to report changes in circumstances, at least to the extent that they would be required to report such changes if enrolled in coverage through the Exchange, consistent with 45 CFR 155.330(b).
- (b) *Renewal of coverage.* If an enrollee remains eligible for coverage in the BHP, the enrollee will be afforded notice of a reasonable opportunity at least annually to change plans to the extent the BHP offers a choice of plans, and shall remain in the plan selected for the previous year unless such enrollee terminates coverage from the plan by selecting a new plan or withdrawing from a plan, or the plan is no longer available as a standard health plan in BHP. Enrollees in plans that are no longer available will be given a reasonable opportunity to select a new plan, and if they do not select a new plan will be enrolled in another plan pursuant to a methodology set forth in the State's Blueprint.
