

42 C.F.R. § 600.505

Premiums.

(a) *Premium requirements.* (1) For premiums imposed on enrollees, the State must assure that the monthly premium imposed on any enrollee does not exceed the monthly premium that the enrollee would have been required to pay had he or she enrolled in a plan with a premium equal to the premium of the applicable benchmark plan, as defined in 26 CFR 1.36B-3(f). The State must assure that when determining the amount of the enrollee's monthly premium, the State took into account reductions in the premium resulting from the premium tax credit that would have been paid on the enrollee's behalf.
